

# HIPAA Hints

## Redesigned Website Launched

By William N. Dobbins, M.P.A. – Compliance Audit Manager

The UAMS HIPAA web page has gotten a makeover!

In order to be in compliance with campus web design practices and to eliminate link digging, we've streamlined our page for one-stop shopping for HIPAA policies, forms, online training and the latest news from the HIPAA Office. The page can still be accessed by going to <http://hipaa.uams.edu>.

## Mock Codes

### Are You Ready?

Unannounced **MOCK CODES** are being conducted periodically in units, clinics, and common areas to evaluate response time and code management.

#### DO YOU NEED A REFRESHER?

Don't miss this chance to sign up for the next Crash Cart and Code Blue education session on:

**Friday, March 25**  
**F6 Conference Room**  
**1300 • 1400 • 1500**

#### SIGN UP IN TRAINING TRACKER:

Select a Course:  
 "Code Blue Management Education"

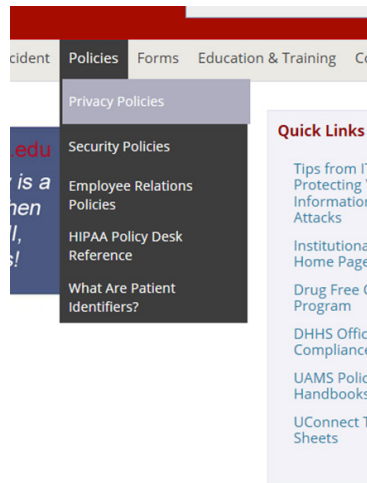

Class Name:  
 "Crash Cart Education"

For more information, contact the Critical Care Staff Educator at:  
 (501) 686-6095.

A series of dropdown menus allows the user to navigate easily to HIPAA campus resources.

**TRAINING** which had previously been housed on multiple pages, is now available on a centralized menu (*right*).

Do you need to find a **POLICY**? Privacy, Security and Employee-relations policies are linked on separate pages (*left*).

**HIPAA FORMS** are categorized and consolidated on their own pages (*below*).

Individual departments should review their policies referencing HIPAA training to ensure that the links are still correct.

We invite your feedback. Please feel free to contact us at 501-603-1379 or email [HIPAA@uams.edu](mailto:HIPAA@uams.edu).
